

**BE OPEN
BE GLOBAL
BE NIMBLE**

WAREHOUSE/ASSEMBLY OPERATIVE

Part of the Kinshofer Group, Auger Torque is a highly successful, fast-growing manufacturing and engineering Company in the Earthmoving Attachment market with global distribution and dealer networks. We manufacture innovative hydraulic attachments used with excavators and associated construction equipment.

With sites in UK, Australia, USA and China we are a global business satisfying the demand for high-quality products in over seventy countries on all seven continents.

THE ROLE

This varied position will join our product assembly and warehouse team, completing a wide range of tasks across the entire production and dispatch areas, ensuring a professional and efficient working environment and work ethic in line with the company's core values being nimble, global and open.

KEY RESPONSIBILITIES

- Assembly of the Auger Torque product range to the highest standards;
- Maintain records of production quantities, report any issues, missing, or defective parts;
- Receive incoming pick lists and retrieve orders accurately in priority order;
- Receive incoming pick lists and retrieve orders accurately in priority order;
- Build pallets with orders and position them to loading bays;
- Maintain a clean, safe, and organised work environment by complying with procedures, rules, and regulation.

YOU

- ✓ Experience in manufacturing or warehousing business with international shipping is desirable
- ✓ Great communication skills
- ✓ A strong degree of accuracy is essential, with an eye for detail
- ✓ Welding experience and a FLT would be advantageous

This is a full-time role based in our **Hazleton offices**, near Cheltenham.
